## Two Million \$ Deal Handled By Bailey

Belle Glade Realtor Bill J. Bailey sold 10,000 acres of land south of South Bay for approximately \$2,000,000 to The Big B-King Ranch, bringing that concern's holdings into the neighborhood of 43,000 acres in that area. The land was owned by the Serrales Everglades Farms and is located south of the Atlantic Coast Line Railroad spur that runs from Okeelanta Sugar Refinery to the A. Duda and Sons precooling plant. The purchasers plan to clear and develop the purchased land, and added to what they already own there will be pasture for 30,000 head of Santa Gertrudis cattle. There are approximately 12,000 head of cattle on the original acreage that has been under development since 1965.

## Baptist Play Witnessed By Big Crowd

Thurmond Knight, Jr., in his portrayal of Peter Marshall, at the Canal Point School auditorium on Sunday night played to a capacity crowd of nearly 400. The three-act play was presented by the youth of the Northwood Baptist Church and was taken as a summer project by the youth. The play was presented under the sponsorship of the Canal Point Youth Council.

Unlike the book written by the widow of the late Peter Marshall, the play dramatized by John McGreevey, does not attempt to tell the life story of Marshall but portrays incidents typical to his life as pastor of the New York Avenue Presbyterian Church in Washington, D.C. It shows a cross-section of the kind of people Peter Marshall sought to help by leading them to know his "Chief," Jesus Christ.

Prior to the performance the youth of the Northwood Baptist Church were served a supper in the recreation room of the Canal Point Baptist Church by Mrs. James Weeks, Mrs. Perry Hall, Mrs. E. F. Bracewell, Mrs. Cecil Hall and Mrs. Charles Brown.

A free-will offering of \$317.00 was collected during the performance for the new Baptist College in Palm Beach Gardens.

Following the play, a reception was given in honor of the youth of Northwood by the youth of Canal Point for all the young people in the Glades area. Delicious homemade cakes and punch were served to those who attended the reception.

The Youth Council of the Canal Point Baptist Church is comprised of Herman Earl Clark, Carol Bardin, Terry Hall, Mrs. Frances Weeks, Mrs. Perry Hall and Paul Maynor.

## Bond Issue Belle Glade Validated

Judge James C. Downey signed validation papers in the circuit court on Tuesday for \$300,000 bond issue for the City of Belle Glade for expansion of the water plant. There was no opposition to the issue which runs over a 37-year period and will be paid off with receipts from the water system.

The Belle Glade city commissioners authorized the bond issue on July 25 after they were assured by their financial consultants, Sheppard and Potts, of the city's ability to repay the indebtedness.

If the bonds are not opposed in Circuit Court within the next 20 days, commissioners will be free to sell them.

Mrs. Glynn Carr and her daughter, Glynda, of Pompano Beach were the overnight guests of her brother and family, Mr. and Mrs. Julian Branch, in Pahokee during the past weekend.

## Now—U. S. Savings Bonds Pay More Interest

### 4.15% when held to maturity

### Higher interest on the Bonds you already own, too!

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, it's time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front line of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

## Williams Family To Gather Oct. 1

Graceville, Fla.—Florida's famed Williams family will hold its 68th annual reunion at the Gallea Tabernacle October 1. More than 2,000 kinsmen are expected, according to John D. Rogers, engineer of the Pahokee Drainage District, who is vice president of the group.

The keynote speaker this year will be State Treasurer Broward Williams, one of the more famous of the clan. Following tradition, Treasurer Williams will speak on a subject described in word-of-mouth rules as "flowery, God-fearing, and Williamsy."

Treasurer Williams is a native of Graceville and a direct descendant of Andrew Elton Williams who settled in Jackson County in 1822 and reared 12 sons and 11 daughters.

This year's reunion will be the second in the new Tabernacle erected just before last year's reunion.

Since the family first gathered in 1903, the Williams clan has returned again and again to share fellowship and meet new members under the spreading live oaks around the old Gallea Methodist Church founded by a Williams before most of today's Williamses were born. The church stands about halfway between Chipley and Graceville.

The highlights of the reunion—and one of the main reasons writers dubbed the clan "The World's Happiest Family"—will be dinner on the grounds. This noon-time affair will feature lots of conversation and tons of food piled on a table 5 feet wide and 20 feet long.

4.15% when held to maturity

*Higher interest on the  
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive

new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours

**"Today, none of us can remain aloof on the sidelines."**

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

## Why should you buy U. S. Savings Bonds when there are so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
